A freight train broke in two just east of Barrackville, W. Va., at 5 o'clock yesterday morning. No. 8 ran into the rear portion of the freight train, derailing the caboose and one car, but doing no damage to No. 8. The track was clear in thirty minutes.

Glorious News. Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved—that Electric Bitters is the best blood purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by Logan Drug Co., drugist. Guaranteed.

A BAD RUNAWAY

On North Main Street in Which two Persons Were Slightly Injured Last Night—Their Escape from Death Remarkable.

Henry McCordle, of Benwood, was driving down North Main street last night at 9 o'clock, accompanied by Miss Myrtle McCordle, of Glen Easton; his sister, Miss Rhoda McCordle, and Miss Little Sears, of North Wheeling. Near Ninth street an approaching street car and the cracking of a whip in the hands of the driver of a wagon frightened the horse, which turned sharply from the track, crushing one of the buggy wheels. The horse dashed down Main street at a terrific gait, and to save themselves the occupants jumped out. McCordle injured his leg slightly, and Miss Myrtle McCordle was also injured slightly. The injured were cared for by Mr. and Mrs. John K. List, who live near the scene of the accident, and later the city ambulance conveyed them to the home of relatives in North Wheeling, near the Top mill.

The escape of all from more serious injuries was remarkable.

AMUSEMENTS.

With two recognized prima donnas and five comedians of the first class, headed by such a fun-maker as the original Gus Bruno, the music and fun lovers of this city may expect something quite out of the ordinary in the performances to be given to-night and Thursday evening at the Opera House by the company playing "At Gay Coney Island." Known generally throughout the country as one of the funniest and also one of the cleanest of farce comedies, it will be seen here for the first time. The one scene that attracts the most attention is the one showing the beach at Coney Island at the height of the season, when it is thronged with pleasure-seeking metropolitans.

Himmlein's Ideals. The Ideals and Howson's Twentieth Century band was the magnet which drew another big audience to the Grand last night. "In the Heart of the Storm" is an excellent melodrama, offering thrilling situations without being unnatural, and holding the interest without straining of lines or situations. To-night's bill will be "The Ladder of Life," one of the strongest melodramas ever written.

Begins at Nine O'clock. In deference to the wishes of the gentlemen who are conducting the Merchants' Day pyrotechnical display to-night, Manager Feinler has decided to hold the curtains at both the Opera House and Grand Opera House to-night until 9 o'clock.

THE INSURANCE AGENTS.

They Meet in Wheeling and Form a State Association for Their Self-Protection—Mr. Foote, of Wheeling, Elected President.

There was a well attended meeting of the local fire insurance agents of the state of West Virginia at the chamber of commerce yesterday. The meeting commenced in the morning and lasted until 4 o'clock. Many gentlemen from towns outside of Wheeling were present, among these being W. D. Paden, of Parkersburg; Dr. J. M. Cooper, Wellsburg; Mr. Hutchinson, Pt. Pleasant; A. W. Werninger, Huntington; Mr. Chancellor, Parkersburg; C. S. Bradley, New Cumberland, and several others, as well as many of the Wheeling agents.

W. D. Paden was elected temporary chairman and A. F. Faulkner temporary secretary. Letters were read from many influential insurance men throughout the state expressing regret at not being able to attend the meeting, fully endorsing the formation of a state organization and promising to become members. A permanent organization was effected, to be known as the West Virginia Association of Local Fire Insurance Agents. A constitution and by-laws were adopted, and officers elected for the ensuing year. The annual meeting will be held on the first Tuesday in September of each year, and special meetings whenever called by the president.

The officers elected for the ensuing year are as follows:

President, W. S. Foote. First vice president, W. D. Paden. Second vice president, F. E. Nichols. Secretary, A. F. Faulkner. Treasurer, Wm. Lohmeyer.

Executive committee—Dr. Cooper, of Wellsburg; C. L. Thompson, Huntington; Mr. Stalnaker, Wheeling; Robert Hutchinson, Pt. Pleasant; E. P. Chancellor, Parkersburg; R. A. Alexander, Charleston; W. Morgan, Grafton; N. G. Keim, Elkins; D. W. Patterson, Charleston; J. S. Trammell, Martinsburg; C. A. Shaw, Moundsville. Membership committee—D. G. Morgan, Wheeling; Charles O. Roemer, Wheeling; W. R. Rice, Wheeling; Herbert Alexander, Martinsburg; L. J. Fristoe, Bluefield; F. P. Sexton, Buchanan; F. B. Enslow, Huntington.

The association promises to meet with great success, and it is believed by the insurance people that it will be of great benefit and protection to agents, as well as to the public.

The principal objects are for the better protection of local fire insurance agents, to prevent incorrect practices and overhead wrangling; for the maintenance of boards, and to correct many bad practices now existing in the insurance business. It is the first organization of the kind ever effected in this state, although thirty-two of the other states have similar organizations.

THE LAST TRIBUTE

Paid to the Late Dr. Robt. W. Hazlett by Many Sorrowing Friends.

Many sorrowing friends attended the funeral of the late Dr. Robert W. Hazlett yesterday morning, and the family residence, 921 Main street, could not accommodate all who wished to witness the services, which were conducted by Rev. Dr. Cunningham, of the First Presbyterian church, assisted by Rev. Joseph Speers, of the Second Presbyterian church, and Rev. Dr. Sooy, of the Fourth Street Methodist Episcopal church. Appropriate musical selections were sung by a quartette composed of Mrs. Flora Williams, Miss Margaret Harvey, Mr. S. Emerson and Mr. Jasper Baum. The size and composition of the crowd of mourning friends were a testimonial of the high pedestal Dr. Hazlett occupied in this community, and the floral tributes were profuse. The interment was private at Mount Wood cemetery. The pallbearers were selected from the medical fraternity and were: Drs. S.

An Interesting Photo

A Baby's Testimonial for GRAPE-NUTS

Amateur photographers recognize the difficulty in securing good "interiors."

One of the most perfect specimens of this sort of photography was received by the Postum Cereal Co. a short time ago, showing in perfect light and with the cleanest lines, a baby in a high chair at the table, the mother in the act of feeding baby some Grape-Nuts with a spoon. The little one has one hand on the spoon and is evidently "gobbling" the food. A package of Grape-Nuts rests on the table, and that, together with all the utensils, are perfectly outlined. The picture contains much detail, but could not be successfully reproduced on newspaper, otherwise it would be given here.

The mother writing, states: "I take pleasure in sending you a photo of Mabel Anita Bennett, who is very fond of Grape-Nuts. Among all the prepared foods we find Grape-Nuts especially fine for children beginning to eat solids; they are so easily digested and nourishing. Little Mabel is always very eager when she sees us preparing Grape-Nuts for her, and you can see by her face how thoroughly satisfied she is with her meal. She seems to think her mamma needs help in getting the Grape-Nuts to her mouth, and the picture is true to life. I want to thank you for placing such a delicious and delicate food on the market. Respectfully, Mrs. L. M. Bennett, Forrest, Illinois."

No stomach is too delicate to receive and digest Grape-Nuts, for the reason that the food is really pre-digested by the processes through which it passes in the manufacture, and by these processes the starch is transformed into grape sugar, which is ready at once to go into rich blood and build up the tissue of both muscle and brain. All first-class grocers sell Grape-Nuts and the Postum Cereal Co. Ltd. make them at their factories at Battle Creek.
